## Drinking bottle made from recycled stainless steel

Product number: 8389306

Our eco-friendly water bottle made from recycled stainless steel – the perfect combination of sustainability and functionality! This bottle has been designed with a focus on environmental protection and style, featuring a high-quality construction from recycled stainless steel, advanced vacuum insulation, and an elegant bamboo lid with a handle. Product Highlights: Recycled Stainless Steel: Embracing sustainability, this water bottle is crafted from recycled stainless steel. Reduce your ecological footprint and actively contribute to environmental conservation. Vacuum Insulation: Enjoy your beverages at the desired temperature for an extended period, thanks to the vacuum insulation of this bottle. Whether you prefer your drink hot or cold, this bottle maintains it at the desired temperature. Bamboo Lid with Handle: The bamboo lid not only adds a natural and elegant touch but also provides a convenient handle for easy carrying. Enhance your daily routine with this stylish detail. 550ml Capacity: The optimal size for on-the-go – sufficient to quench your thirst yet compact enough to fit into your bag or backpack. Ideal for work, sports, or outdoor activities. Print option: Personalize your water bottle by engraving your logo directly onto the bottle. This high-quality engraving gives your brand an exclusive character.
