

Product data sheet

Stainless steel thermal flask

Product number: 6542005

Our stainless steel vacuum-insulated flask with a colored matte coating is not only functional but also a stylish accessory for your everyday life. Order today and offer your customers a high-quality and personalized beverage container while showcasing your brand. Product Highlights: Excellent Insulation: The stainless steel vacuum-insulated flask keeps your drinks hot or cold, allowing you to enjoy them on the go. Modern Appearance: The matte coating gives the flask a contemporary and appealing look. Convenient Size: With a capacity of 500 ml, this flask is perfect for daily use, whether in the office, during commutes, or while traveling. Durable Materials: The flask is made of high-quality stainless steel, ensuring durability and easy maintenance. Print option: Your logo will be laser-engraved onto the flask, placing your brand in the spotlight and spreading your message.
