## Stainless steel thermal flask

Product number: 6540107

Our double-walled vacuum-insulated flask is not only functional but also stylish and practical. Order today and provide your customers with a high-quality and personalized travel beverage container while showcasing your brand. Product Highlights: Excellent Insulation: The double-walled stainless steel construction ensures long-lasting insulation, keeping your drinks hot or cold for hours. Generous Capacity: With a capacity of 1,000 ml, you can take enough drinks for yourself and your companions. Quick Release: The quick-release feature allows for easy pouring and sealing without the need to fully remove the lid. Includes Metal Cup: The insulated flask comes with a matching metal cup, allowing you to enjoy your drinks anytime, anywhere. Print option: Your logo will be laser-engraved onto the flask, elegantly representing your brand.
