## Ball pen with bamboo grip zone

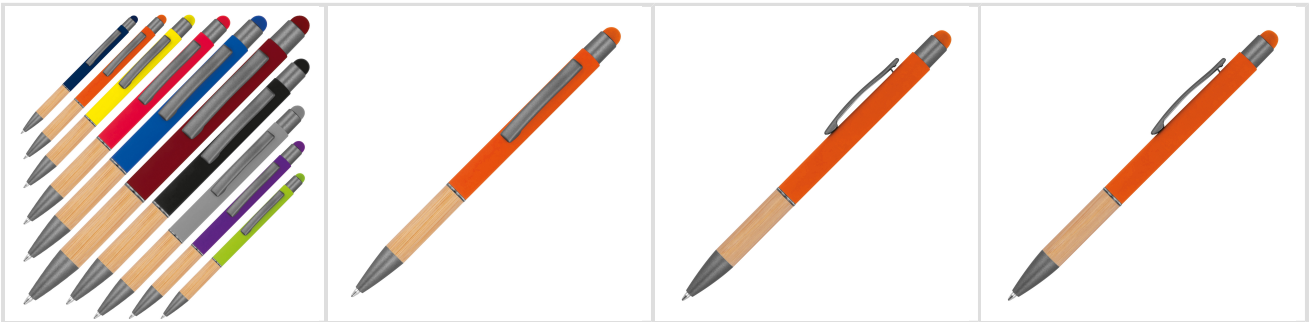

Product number: 1358110

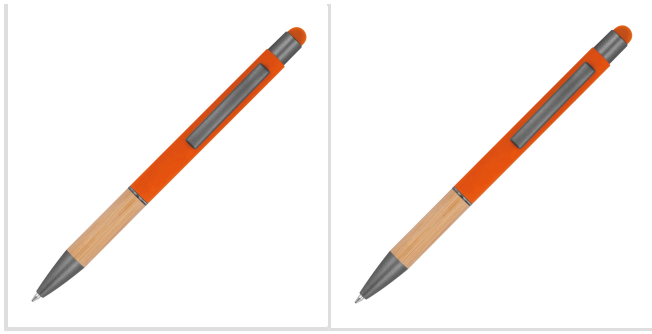

Our aluminum ballpoint pen is an elegant writing instrument with a stylish combination of modern design and environmentally friendly materials. This pen not only offers a smooth blue ink refill but also a convenient touch function for smartphones and tablets. Product Highlights: High-Quality Material: The pen features an aluminum body that is durable and lightweight. The silver accents give it a modern appearance. Environmentally Friendly Grip Zone: The pen's grip zone is made from sustainable bamboo, which is not only environmentally friendly but also provides a comfortable grip. Practical Touch Function: The integrated touch function allows you to easily access touchscreens on smartphones and tablets. Print option: We offer the option to engrave your logo or message to the right of the clip on the pen, giving it a personalized touch.
