## Cooling / warming pad

Product number: 7077404

Our versatile cooling or heating pad made of PVC is the ideal product for relieving pain, muscle tension, or for relaxation. Simply store it in the freezer or refrigerator for use as a cooling pad, or heat it in the microwave for the warming function. This practical pad is an excellent way to showcase your brand. Please note that due to the flexible material, only a single-color print in black or white is possible.

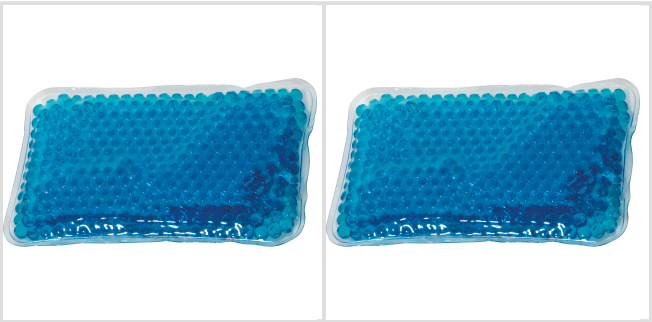

**Product Highlights:**

- Versatile Use:** Our cooling or heating pad can be used as needed for both cold and heat therapy. It is ideal for relieving pain, muscle tension, stress, or for relaxation.
- Easy Application:** The pad is easy to use. Place it in the freezer or refrigerator for cooling or heat it in the microwave for warming therapy.
- High-Quality Material:** Made of durable PVC, the pad is long-lasting and easy to clean. It retains its shape even after repeated use.
- Print option:** We offer you the option to place your logo in a single-color print in black or white in the center of the pad. This ensures that your brand name is always present.
