

Product data sheet

Power bank 20.000 mAh

Product number: 3149806

Our power bank with an impressive capacity of 20,000 mAh is the ultimate solution for providing power to your devices on the go. With a digital charging display, you always have an overview of the charging status. This power bank allows for the simultaneous charging of 2 devices and features an input of 5V/2A (Micro+Type-C) and an output of 5V/2A (2x USB). A charging cable is included.

Product Highlights:

- Enormous Capacity:** With 20,000 mAh of storage capacity, you can charge your devices multiple times before needing to recharge the power bank itself.
- Digital Charging Display:** The digital display keeps you informed about the current charging status of the power bank.
- Simultaneous Charging:** You can charge two devices simultaneously, which is particularly convenient.
- Versatile Connectivity Options:** The power bank features Micro-USB and Type-C inputs as well as two USB outputs.
- Charging Cable Included:** The included charging cable enables convenient recharging of the power bank and your devices.
- Print option:** Your logo will be printed on the power bank to effectively showcase your brand.
