

Product data sheet

Ballpen with bamboo coating

Product number: 1219412

Our bamboo ballpoint pen is not just a high-quality writing instrument but also a statement of sustainability and style. This pen stands out due to its use of eco-friendly bamboo for the pen body and anthracite-colored accents, giving it a modern and elegant appearance. Product Highlights: Sustainable Material: The pen is crafted from bamboo, a rapidly renewable resource, showcasing your commitment to environmental friendliness and sustainability. Smooth Broad Refill: The pen employs a blue broad refill that offers a smooth and reliable writing experience. Convenient Touch Function: The integrated touch function allows easy access to touchscreens on smartphones and tablets. Print option: We offer the option to engrave your logo or message to the right of the clip on the pen, giving it a personal touch.
