## Backpack with cooling function

Product number: 6364707

Our backpack made from durable 600D "two-tone" polyester is a versatile companion for those on the go, combining functionality and style. This backpack stands out with its unique cooling feature, keeping your food and drinks cool while you're on the move.

**Product Highlights:**

- High-Quality Material:** The 600D "two-tone" polyester is not only sturdy but also gives the backpack a modern and appealing look.
- Cooling Function:** The insulated main compartment keeps food and drinks cool, making it perfect for picnics, outings, and outdoor activities.
- Convenient Side Mesh Pockets:** The side mesh pockets offer additional storage space for water bottles or other items.
- Padded Shoulder Straps:** The shoulder straps are padded and adjustable, providing you with maximum carrying comfort.
- Generous Capacity:** With a capacity of 10 liters, this backpack has ample space for your personal items and snacks.
- Print option:** Your logo will be prominently placed on the front of the backpack to highlight your brand.
