Bluetooth speaker box

Product number: 3381107

Our powerful Bluetooth speaker with your engraved logo decoration is the perfect product to provide your customers with an impressive audio experience. This speaker wirelessly connects to various devices and also offers an AUX connection for maximum flexibility. Product Highlights: Wireless Connectivity: With Bluetooth JL5.0, you can effortlessly establish a wireless connection to your smartphones, tablets, and other compatible devices to enjoy your favorite music anywhere. Durable Battery: The built-in 1200mAh battery ensures hours of music playback and can be conveniently recharged via USB. AUX Connection: If Bluetooth is not available, the AUX connection provides the option to play your music through a cable. Premium Sound Quality: The powerful speaker box delivers clear and impressive sound for an unmatched audio experience. Print option: The compact box with your engraved logo on the metal plate not only looks great but is also portable and easy to carry.
