

Product data sheet

Rubberized ceramic mug

Product number: 8065503

Our porcelain mug with a rubberized surface is the ideal choice for daily use in the office, at home, or as a gift for customers or employees. Order today and add a personal touch to your brand. Product Highlights: High-Quality Porcelain: The mug is made of high-quality porcelain and has a capacity of 300 ml. Dishwasher not suitable: This cup should not be cleaned in standard household dishwashers or industrial washing machines. Modern Rubber Surface: The rubberized coating in various colors gives the mug a contemporary and appealing appearance. Print option: Your logo will be laser-engraved on the outer surface of the mug, presenting your brand in a stylish and enduring manner.
