Foldable stainless steel drinking cup

Product number: 8399207

Our innovative collapsible stainless steel drinking cup – the ideal solution for space-saving and flexibility in your outdoor activities! With a capacity of 250ml, this cup effortlessly folds and can be secured in the integrated metal canister with a carabiner. Product Highlights: Collapsible Design: The cup can be conveniently folded, making it perfect for on-the-go. Ideal for hiking, camping, or traveling, where every inch counts. Stainless Steel Construction: The cup is made of high-quality stainless steel, durable, and easy to clean. A reliable companion for all outdoor activities. 250ml Capacity: The optimal size for a refreshing sip on the go. Enjoy your drinks in a handy and compact cup. Integrated Metal Canister with Carabiner: The canister not only serves for storage but can also be easily attached to your backpack or belt – always ready for your thirst. Print option: Personalize the cup by having your logo directly engraved on the lid. This individual touch makes your cup a unique promotional item.
