RPET pen

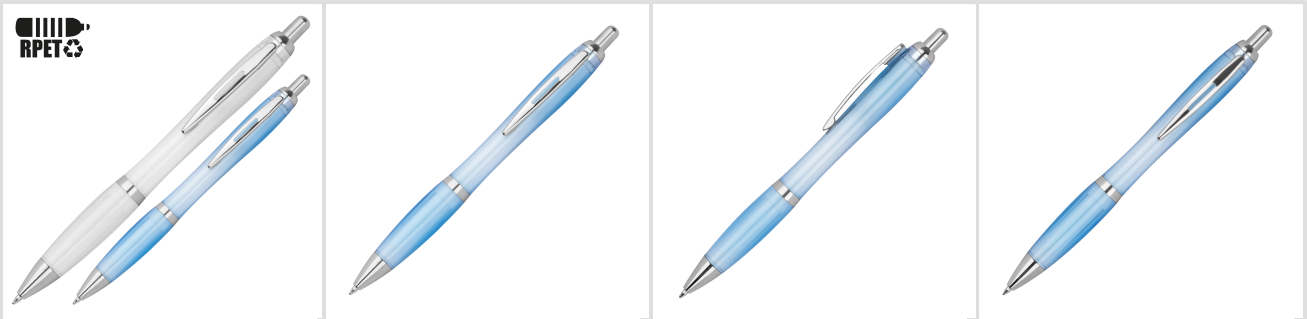

Product number: 1255224

Our classic ballpoint pen made from recycled PET is not only environmentally friendly but also a reliable writing instrument with stylish details. This transparent pen features silver accents, a rubber grip, and a blue ink refill. Product Highlights: Sustainable Material: The pen is made from recycled PET, reducing plastic waste and benefiting the environment. Transparent Design: The transparent barrel gives the pen a modern look and allows you to easily check the ink level. Stylish Accents: The silver accents and rubber grip add an elegant touch to the pen while providing a comfortable grip. Precise Writing: The blue ink refill enables a smooth and precise writing experience that highlights your words. Print option: We offer the option to print your logo to the right of the clip on the pen, personalizing it for use as an eco-friendly promotional item or gift.
