

Product data sheet

Inkless Aluminium Pen

Product number: 1261707

Our inkless aluminum pen is an innovative and environmentally friendly alternative to traditional ink pens. Made from high-quality aluminum and equipped with a specially alloyed tip that oxidizes the writing on paper, making it erasable, this pen offers a unique writing experience. The pen comes with a matching case and can be individually laser-engraved with your logo.

Product Highlights:

- Environmentally Friendly:** Since this pen doesn't use ink, it reduces the consumption of ink cartridges, making it a sustainable choice.
- Innovative Writing:** The specially alloyed tip allows for smooth writing, and what's written can be easily erased when needed.
- High-Quality Aluminum:** The pen is made from durable and lightweight aluminum, making it a stylish and long-lasting writing instrument.
- Print option:** Your logo will be laser-engraved on the pen to personalize it for use as a promotional item or gift.
