

Product data sheet

In-ear headphones

Product number: 3146206

Our ergonomic in-ear Bluetooth headphones offer high-quality sound and comfort on the go. With a USB charging cable and a convenient charging station that also serves as packaging, they are always ready to use. The headphones have a runtime of 2-3 hours, a standby time of 120 hours, and a charging time of approximately 1 hour. The maximum distance for the Bluetooth connection is about 8.3 meters, and the headphones feature a 35mAh battery.

Product Highlights:

- High-Quality Sound:** The in-ear headphones provide clear and powerful sound for your music and calls.
- Convenient Charging Station:** The charging station also doubles as packaging and allows for easy charging of the headphones.
- Fast Charging:** The headphones can be fully charged in just about 1 hour.
- Long Standby Time:** With a 120-hour standby time, the headphones are always ready to use.
- Maximum Distance:** The Bluetooth connection reaches up to approximately 8.3 meters.
- Print option:** Your logo will be printed on the box to effectively showcase your brand.
