

Product data sheet

Stainless steel travel mug

Product number: 6530007

Our double-walled stainless steel thermal mug is not only functional but also a stylish accessory for on-the-go. Order today and provide your customers with a high-quality and personalized beverage container while showcasing your brand. Product Highlights: Optimal Insulation: The double-walled stainless steel keeps your drinks hot or cold, as desired, ensuring they stay fresher for longer. Convenient Drink Slide Bar: The drink slide bar in the screw-on lid allows you to drink comfortably without having to remove the lid. Generous Capacity: With a capacity of 400 ml, this thermal mug provides ample space for your favorite beverages. High-Quality Material: The mug is made of durable stainless steel, ensuring long-lasting enjoyment of your drink. Print option: Your logo will be laser-engraved to the left of the mug's handle, placing your brand in the spotlight and spreading your message.
