

Product data sheet

Cutter with removable blade

Product number: 8209508

With this sturdy cardboard cutter featuring a large, stable handle, locking wheel, and detachable blade, you can effortlessly open and cut through cardboard and packaging. The knife has a reliable locking function for additional safety when not in active use.

Product Highlights:

- Robust Handle:** The cardboard cutter is equipped with a large and stable handle, providing a secure grip and comfortable handling. This allows for easy and precise cutting of cardboard and packaging.
- Locking Wheel:** The integrated locking wheel allows you to fix the blade in the desired position, ensuring controlled cutting depth and minimizing the risk of accidents.
- Detachable Blade:** When needed, the blade of the cardboard cutter can be detached and replaced with a new one. This extends the tool's lifespan and ensures reliable performance over an extended period.
- Print option:** We offer the option to print your logo on the back of the cardboard cutter. This adds a personal touch to the tool, making it an effective promotional item or a personalized gift.
