Data cable with 3 connections

Product number: 9087905

Our silicone charging cable is a versatile and practical accessory that makes charging various devices more convenient. **Product Highlights:**
Silicone Material: The charging cable is made of high-quality silicone, which is flexible and durable. The silicone material allows the cable to be easily bent and positioned in various ways without kinking or damaging.
USB and 2-in-1 Micro-USB Connector: The cable features a standard USB connector compatible with most USB power sources. Additionally, it includes a 2-in-1 Micro-USB connector that can be used for both Android and iOS devices, providing high compatibility.
C-Type Adapter: The cable comes with a C-Type adapter, allowing you to charge devices with C-Type connectors. This is particularly useful as many modern devices use this type of connection.
Print option: Your logo will be printed on the silicone band of the charging cable. This allows you to customize the cable, making it a personalized promotional gift or accessory.
