## 5 meter steel measuring tape

Product number: 8173503

If you're seeking precision, durability, and user-friendliness in a steel tape measure, then our product is the ideal choice for you.

**Product Highlights:**

- Robust Construction for Long-lasting Use:** Our steel tape measure features a solid steel tape that withstands even the most demanding applications. The plastic and metal casing is sturdy, protecting the tape from damage, ensuring reliable results for an extended period.
- Large Digits for Easy Reading:** Thanks to the prominently visible, large digits on the tape, you can quickly and accurately read measurements. This saves you time and ensures accuracy in every application.
- Locking Mechanism for Convenient Single-Handed Operation:** The integrated locking mechanism allows you to secure the tape easily without the need to constantly hold it. This is particularly convenient when working alone, leaving one hand free for other tasks.
- Convenient Belt Clip:** With the sturdy belt clip, you can easily attach the steel tape measure to your clothing or tool belt. This ensures it is always within reach, saving you time searching for it.
- Retention Strap for Secure Storage:** The retention strap ensures that the tape measure stays securely in place when not in use, preventing accidental unwinding and keeping your tool well-protected.
- Print option:** We offer the option to print your company logo on the available space of the steel tape measure. This turns this useful tool into an effective promotional item, showcasing your brand everywhere it goes.

Trust in quality and precision—our 5m steel tape measure is the reliable companion for professionals and DIY enthusiasts alike.
