Screwdriver set

Product number: 8312706

Our screwdriver set with 24 magnetic precision stainless steel slotted and Phillips bits is the perfect tool kit for precise screwing in compact electronic devices and other applications. The set comes in a plastic case with a sliding holder. Product Highlights: 24 Precision Bits: The set includes a variety of magnetic slotted and Phillips bits to cover different screw types. Magnetic Bits: The magnetic bits ensure a secure connection with the screws, preventing accidental loss. Stainless Steel Quality: The bits are made from high-quality stainless steel, ensuring durability and precision. Plastic Case: The plastic case with a sliding holder provides organized storage and easy access to the bits. Print option: Your logo will be printed on the packaging of the screwdriver set to ensure that your brand is prominently visible with every use.
