

Product data sheet

Aluminium drinking bottle 600 ml

Product number: 6151206

Our high-quality metal water bottle is the perfect solution for environmentally conscious customers seeking a durable and reusable water bottle. Product Highlights: High-Quality Materials: The water bottle is made of durable metal, ensuring a long lifespan and avoiding plastic waste. Large Capacity: With a capacity of 600 ml, the bottle provides ample space for water, juices, or other beverages. Secure Lid: The lid is sealable to prevent leaks and keep beverages fresh. Environmentally Friendly: Using a reusable metal bottle helps avoid disposable plastic bottles and supports sustainable practices. Print option: Your logo will be applied to the bottle with a high-quality laser engraving.
