Metal keyring with shopping chip

Product number: 9788207

Enrich your daily life with our elegant keychain made of high-gloss metal, which additionally features a practical shopping cart token integrated. This multifunctional keychain is not only extremely practical but also offers the opportunity to showcase your logo through laser engraving on the coin holder. Product Highlights: Multifunctional Keychain: Our keychain combines style and function. In addition to holding your keys, it features an integrated shopping cart token that makes your life on the go easier. High-Gloss Metal: Crafted from high-gloss metal, this keychain gives your keyring an elegant look while ensuring longevity. Convenient Shopping Cart Token: The integrated shopping cart token allows you to have shopping cart coins always at hand without searching for them. Print option: Your logo will be laser-engraved on the coin holder of the keychain, adding a personalized touch and ensuring maximum visibility.
