

Product data sheet

Power bank 10.000 mAh

Product number: 3118406

Our 10,000 mAh plastic power bank is the ideal solution for charging your smartphones and tablets on the go. With an included charging cable and a charging indicator, you always have control over the charging status. This power bank allows for simultaneous charging of 2 smartphones or tablets and features an input of 5V/2.1A and an output of 5V/2.1A.

Product Highlights:

- High Capacity:** With 10,000 mAh storage capacity, you can charge multiple devices before needing to recharge the power bank itself.
- Included Charging Cable:** The included charging cable enables convenient charging of the power bank and your devices.
- Charging Indicator:** The indicator keeps you informed about the current charging status of the power bank.
- Simultaneous Charging:** You can charge two smartphones or tablets simultaneously, which is particularly convenient.
- Print option:** Your logo will be printed on the smooth surface of the power bank to effectively showcase your brand.
