

Product data sheet

Double-walled drinking cup

Product number: 6254495

Our double-walled vacuum stainless steel drinking cup is the ideal solution to keep your beverages at the desired temperature for hours, whether hot or cold. With a generous capacity of 380 ml and a transparent drinking lid, this cup is perfect for daily use.

Product Highlights:

- Long-lasting Temperature:** The double-walled stainless steel construction ensures that hot drinks stay hot, cold drinks stay cold, and prevents condensation.
- Convenient Drinking Lid:** The transparent drinking lid makes it easy to drink on the go and protects against spills.
- Print option:** The stainless steel is sturdy and durable, while engraving your logo on the cup adds a personalized touch.
