Wall clock, half display printable

Product number: 4344907

Our wall clock with hygrometer and thermometer not only offers functional benefits but also provides a creative and flexible advertising opportunity. The unique feature of this clock is that half of the display can be easily removed from the housing and custom-printed in full. Product Highlights: Hygrometer and Thermometer: The clock features hygrometer and thermometer functions to provide you with precise information about room humidity and temperature. Creative Design: The clock's design allows for the removal of half the display from the housing and full customization. Print option: Thanks to this feature, you have endless possibilities for placing your logo on the clock. You can get creative and ensure that your brand is prominently presented.
