Bluetooth speaker

Product number: 3320713

Our Bluetooth 5.0 Speaker made of bamboo is the perfect combination of modern audio technology and sustainable design. Equipped with a 300 mAh battery, this speaker offers wireless music enjoyment with a charging time of 2-3 hours and a runtime of about 3 hours. The included charging cable makes recharging the speaker easy.

Product Highlights:

- Sustainable Bamboo Design:** The speaker is made from environmentally friendly bamboo, representing sustainability and a natural appearance.
- Bluetooth 5.0:** With the latest Bluetooth technology, you can wirelessly stream your music from your smartphone or other devices.
- Compact and Portable:** The speaker is lightweight and portable, allowing you to take your music anywhere.
- Long Runtime:** Despite its compact size, the speaker provides a runtime of approximately 3 hours, so you can enjoy your favorite music.
- Print option:** Your logo will be engraved on the bamboo speaker, ensuring that your brand is visible during every musical experience.
