

Product data sheet

DIN A5 notebook with integrated LED light and powerbank

Product number: 2075205

Our A5 notepad with an integrated 4,000 mAh power bank is the perfect combination of organization and technology. With various pockets, a pen loop, a phone holder, and a USB charging cable, this notepad offers exceptional functionality. The standout feature is the rubberized magnetic closure with an embedded LED light. The light can be customized to illuminate in the color of your choice, creating an impactful presentation for your branding.

Product Highlights:

- Integrated Power Bank:** The 4,000 mAh power bank allows you to charge your mobile devices on the go.
- Various Pockets:** The notepad includes ample space for documents, business cards, and other important materials.
- Pen Loop:** The pen loop ensures you always have a pen at hand.
- Phone Holder:** The integrated phone holder allows you to keep your mobile device in an upright position during work.
- USB Charging Cable:** A USB charging cable is included to easily charge your devices.
- Print option:** The rubberized magnetic closure features an embedded LED light that can illuminate in the color of your choice, effectively showcasing your logo.
