USB stick model 3

Product number: 2249310

The Twister 2.0 USB flash drive is a practical and versatile storage device with a touch of elegance. With a generous storage capacity of 8GB, this USB flash drive is ideal for storing and transporting your important data, files, and media. What sets this model apart is the customizable laser engraving of your logo on the aluminum clip. This not only gives the USB flash drive a professional look but also makes it an effective promotional tool for your company.

Product Highlights:

- Generous Storage Capacity:** With 8GB of storage space, this USB flash drive offers ample room for documents, photos, videos, and other files you need on the go.
- Twister 2.0 Design:** The convenient twist design protects the USB connector and makes carrying this flash drive particularly easy.
- Aluminum Clip:** The clip of this USB flash drive is made of high-quality aluminum, providing both durability and an elegant appearance.
- Print option:** We offer the option to engrave your custom logo on the aluminum clip, turning the USB flash drive into a tailored promotional gift or merchandise item for your brand.
- USB 2.0 Compatibility:** This USB flash drive is compatible with USB 2.0 ports, enabling fast data transfer.
