## Rechargeable Table lamp with touch sensor - including charging cable

Product number: 9269103

Explore our aluminum table lamp, which not only boasts a modern design but also features some impressive functions. With a touch sensor, stepless dimming function, and a powerful 3,600 mAh battery providing light for 5-20 hours, this lamp is the perfect companion for any occasion. The best part: the table lamp is rechargeable.

**Product Highlights:**

- High-Quality Aluminum:** The table lamp is crafted from high-quality aluminum, giving it a modern and elegant appearance.
- Touch Sensor:** Adjust the brightness seamlessly by simply touching the sensor.
- Durable Battery:** The powerful 3,600 mAh battery offers light for 5-20 hours, depending on the brightness level.
- Rechargeable:** The table lamp can be conveniently recharged using the included charging cable.
- Print option:** Your logo will be engraved on the lamp base, ensuring that your brand is well visible in every lighting situation.
