Foldable polyester shopping basket with insulating function

Product number: 6005944

Our foldable shopping basket with insulation function is the ideal solution for environmentally conscious customers who not only want to shop in an eco-friendly way but also want to transport food or other items while keeping them cool. Product Highlights: High-Quality Materials: The shopping basket is made of durable polyester, an aluminum frame, and an insulating layer that keeps your food cool. Foldable Design: The basket can be easily folded, making it extremely space-saving and facilitating storage in the car or at home. Convenient Handles: Thanks to the comfortable handles, the basket can be effortlessly transported. Insulation Function: The insulating layer in the basket keeps your food cool, making it ideal for shopping for fresh groceries, picnics, or longer trips. Large Capacity: The shopping basket offers ample space for groceries or food. Print option: We will print your logo on the lid of the basket, turning it into a personalized gift or promotional item.
