Our notebook with a PVC cover is an extremely practical and versatile solution for the modern lifestyle. It not only allows you to jot down thoughts and ideas but also enables you to use your smartphone without removing it from the cover. Product Highlights: 160-Page Notebook: This notebook offers ample space for your thoughts, sketches, and ideas, ensuring you don't forget anything important. PVC Cover with Touch Function: The PVC cover allows you to operate your smartphone, including the touch function. You can answer calls, read messages, and use apps without taking the phone out of the cover. Included Pen: A matching pen is integrated into the notebook, ensuring you're always ready to jot down important notes. Multiple Compartments: The notebook comes with various compartments where you can store loose documents, business cards, or other important materials. Extra Headphone Jack: With the additional headphone jack, you can listen to music or make calls while keeping your smartphone securely in the cover. Print option: We print your logo on the PVC cover to ensure that your brand is always present.
