## Porcelain pot with silicone lid and heat protected handles

Product number: 8889405

Our easy-care porcelain pot is a versatile kitchen utensil that meets the highest standards. **Product Highlights:** **High-Quality Porcelain:** The pot is made of high-quality porcelain, which is not only durable but also dishwasher safe. This makes maintenance and cleaning significantly easier. **Heat-Resistant Silicone:** The decorative heat-resistant handles and lid are made of heat-resistant silicone that can withstand temperatures up to 250°C. This ensures safe handling even when the pot is hot. **Long Heat Retention:** The heat-resistant silicone not only serves as protection but also keeps the food warm for a longer time. This ensures that your dish remains pleasantly hot on the table or buffet. **Microwave-Safe:** This porcelain pot is also microwave-safe, making it a breeze to reheat meals. **Versatile Use:** The porcelain pot is suitable for a variety of dishes, from soups and stews to sauces and side dishes. It is a useful addition to any kitchen. **Attractive Design:** This porcelain pot stands out not only for its functionality but also for its appealing design. It will certainly be a centerpiece on your dining table. **Easy to Clean:** Thanks to its dishwasher-safe feature, cleaning is a breeze. After enjoying your meals, you can focus on relaxing without worrying about tedious cleaning tasks. **Print option:** We offer the option to print your logo on the outside of the pot using ceramic transfer. This adds a personalized touch to your pot, making it an ideal promotional item or an attractive gift for customers or employees.
