Insulated Mug 500ml with push-button Closure

Product number: 8376207

Our double-walled stainless steel vacuum insulated cup with a capacity of 500 ml is the ideal companion for on-the-go. Product Highlights: Premium Quality: This insulated cup is made of high-quality stainless steel, ensuring durability, rust resistance, and impact resistance. Double-Walled Vacuum: Thanks to the double-walled vacuum insulation, this cup keeps drinks hot or cold, preserving their taste and temperature for an extended period. One-Hand Operation: The push-button closure allows for easy one-handed operation, allowing you to enjoy your drink conveniently without removing the lid. 500 ml Capacity: This cup provides ample space for your favorite beverages, whether it's coffee, tea, water, or other drinks. Print option: We offer the option to engrave your insulated cup with your logo. The engraving on the stainless steel surface adds an elegant and personalized touch to the cup.
