Wireless charger and powerbank, 8000 mAh

Product number: 3319013

Our Wireless Charger and Powerbank made of bamboo combine modern technology with a sustainable design. With a capacity of 8,000 mAh, you can charge your devices on the go, and the wireless charging feature makes it more convenient than ever. The included micro-USB cable ensures an easy recharge of the power bank. Product Highlights: Sustainable Bamboo Design: The charger is made from environmentally friendly bamboo, signifying sustainability and a stylish appearance. 8,000 mAh Capacity: Sufficient power to charge your devices on the go, whether it's your smartphone, tablet, or other gadgets. Wireless Charging Function: Simply place your device on the surface and enjoy the convenience of wireless charging. Micro-USB Input: The included micro-USB cable makes recharging the power bank effortless. Print option: Your logo will be engraved on the bamboo charger, ensuring your brand is visible with each use.
