## Thermal mug

Product number: 6333811

Discover our high-quality thermal travel mug with stainless steel coating in trendy colors, serving as both a stylish accessory and an effective way to keep your drinks hot or cold. This mug features a convenient sliding sip cover in the lid and has a capacity of 350 ml.

**Product Highlights:**

- High-Quality Stainless Steel Coating:** The stainless steel coating not only gives the mug a modern design but also ensures that your beverages maintain their temperature for an extended period.
- Trendy Colors:** The mug is available in various trendy colors to complement your personal style.
- Convenient Sliding Sip Cover:** The integrated sliding sip cover in the lid makes drinking on the go easy and mess-free.
- Capacity:** With a capacity of 350 ml, the mug is ideal for coffee, tea, or other beverages.
- Print option:** Your logo will be laser-engraved onto the mug, ensuring that your brand is prominently visible with each use.
