## Double walled thermo mug, 400ml

Product number: 6257407

Our double-walled stainless steel thermal mug is the ideal choice for customers who want to enjoy drinks hot or cold, whether they are on the go or in the office.

**Product Highlights:**

- High-Quality Materials:** The mug is made of high-quality stainless steel, which is durable and rust-free.
- Double-Walled Design:** Thanks to the double-walled construction, the mug keeps drinks hot or cold for an extended period and prevents condensation on the outside.
- Leak-Proof and Non-Slip:** The mug comes with a leak-proof lid to prevent accidental spills. The non-slip bottom ensures stability on various surfaces.
- Large Capacity:** With a capacity of 400 ml, the mug provides ample space for coffee, tea, water, or other beverages.
- Environmentally Friendly:** Using a reusable thermal mug helps avoid disposable cups and supports sustainable practices.
- Print option:** Engraving your logo on the mug makes it a personalized promotional item or gift.
