

Product data sheet

Adjustable Phone Holder

Product number: 2247507

Our aluminum and plastic cell phone holder combines strength and flexibility to hold your smartphone securely while making it conveniently accessible. This holder features a non-slip base and a pivoting head that also has a non-slip surface. Your logo will be displayed on the holder to showcase your brand.

Product Highlights:

- Sturdy Construction:** The cell phone holder is made of a combination of aluminum and plastic, which ensures a sturdy and durable construction.
- Non-slip base:** the non-slip base ensures that the holder will stand securely on your desk or other surface without slipping.
- Swivel Head:** The swivel head allows you to position your smartphone at different angles to find the best viewing angle.
- Print option:** Your logo will be applied to the holder for a custom touch and brand presence.
