## Metal ball pen

Product number: 1071609

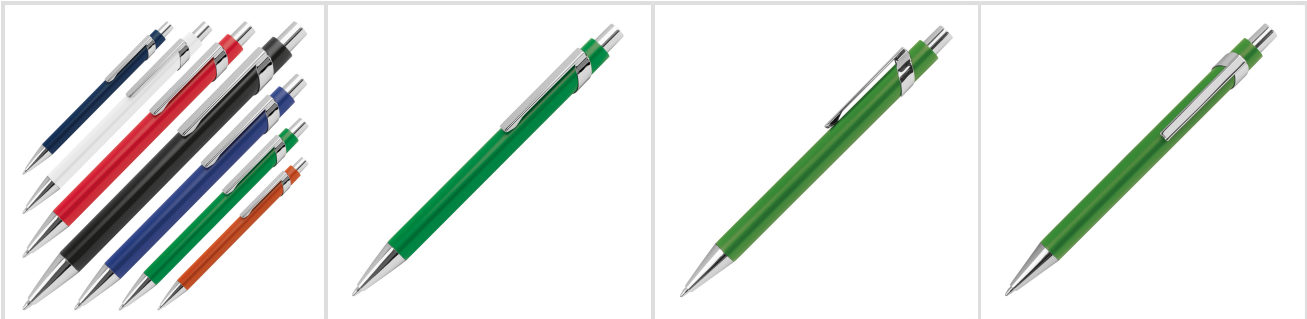

Present your customers with a high-quality retractable ballpoint pen that combines elegance and practicality. Our metal ballpoint pen with silver applications, blue writing large capacity refill and custom laser imprinted advertising to the right of the clip is the ideal writing instrument to represent your brand in style.

**Product Highlights:**High-quality metal casing: this ballpoint pen impresses with its sturdy metal casing, which not only looks classy but is also durable. This gives the pen a professional touch.Silver Applications: The silver applications add elegant accents and give the ballpoint pen a timeless appearance. They are eye-catching and emphasize the quality of the pen.Blue writing large capacity refill: Our high-quality large-capacity refill writes in a rich blue for crisp writing and a premium writing experience.Print option: Your logo is laser imprinted with precision and style on the right side of the pen clip. This high-quality laser imprint ensures your logo appears permanently and elegantly on the pen.
