Multi-tool knife

Product number: 9081703

Our metal multitool is a versatile tool that can be used for various purposes. It features a range of useful functions, making it a practical companion in different situations.

Product Highlights:

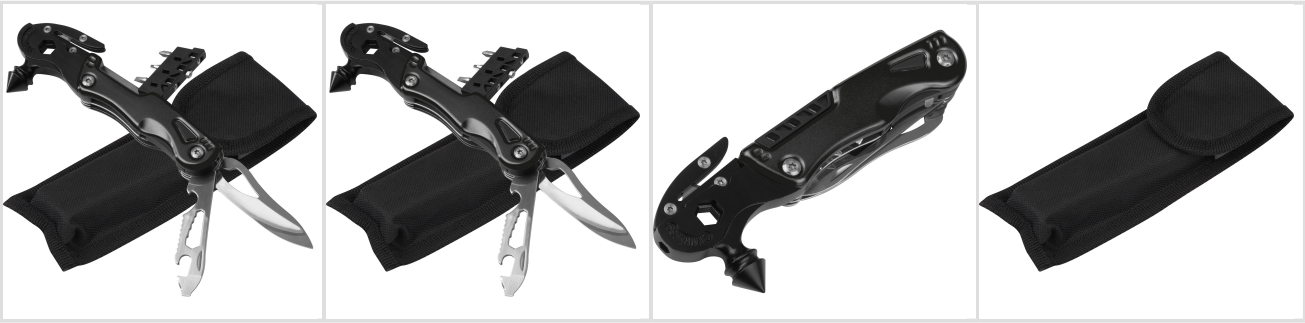

- Robust Metal Casing:** The multitool is made from high-quality metal, making it sturdy and durable. It can withstand the rigors of everyday use.
- Emergency Hammer:** The integrated emergency hammer can be used to break car windows in emergency situations. This is particularly useful for escaping a vehicle when the doors are blocked.
- Seatbelt Cutter:** The seatbelt cutter allows for a quick and secure cutting of seatbelts, which can be crucial in emergency situations.
- Screwdrivers:** The multitool includes various screwdrivers, including Phillips and flathead screwdrivers. This makes it ideal for small repair tasks and assembly jobs.
- Knife:** The sharp knife is versatile and can be used for cutting ropes, opening packages, or outdoor activities.
- Bottle Opener:** The bottle opener allows you to conveniently open beverage bottles, whether camping, picnicking, or at home.
- Saw:** The saw function is suitable for cutting thin branches or other materials.
- Wrench:** A wrench is also integrated and can be used for various applications.

Print option: We offer the option to engrave your logo on the tool's handle, turning it into a personalized gift or promotional item.
