Drinking bottle made from recycled aluminium

Product number: 8376307

Our large water bottle made from recycled aluminum with a capacity of 750 ml is the ideal choice if you want to act environmentally conscious. Product Highlights: Environmentally Friendly Material: This bottle is made from recycled aluminum, contributing to waste reduction and environmental conservation. Bamboo Lid with Carabiner: The bottle's lid is made of bamboo, a sustainable material. The included carabiner allows you to conveniently attach the bottle to bags or belt loops. Large Capacity: With a capacity of 750 ml, this bottle provides ample space for water, juice, or other beverages to keep you hydrated throughout the day. Durable and Reusable: Aluminum is a sturdy material designed for long-term use. You can use this bottle repeatedly, contributing to waste reduction. Print option: We offer the option to engrave your bottle with your logo. The engraving adds a personal touch to the bottle, making it a unique promotional gift or merchandise item.
