## Paper pen

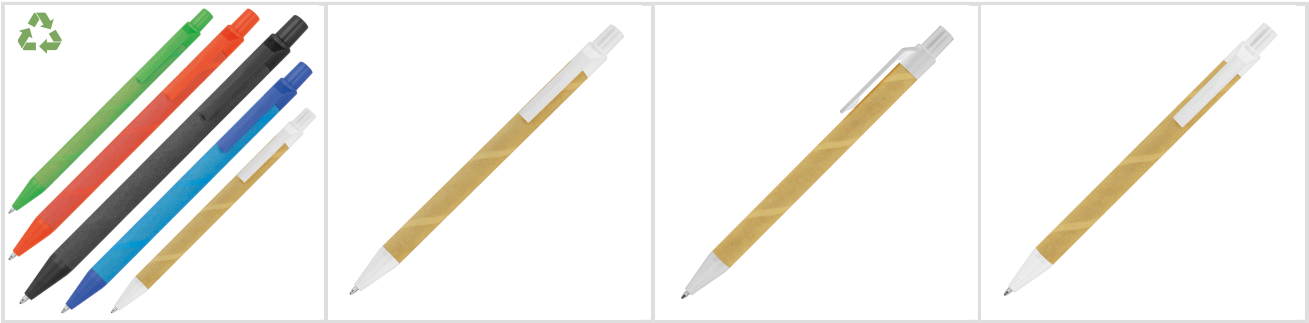

Product number: 1256513

Our blue ink ballpoint pen made from recycled paper is not only environmentally friendly but also a stylish writing instrument with sustainable accents. This pen features colored accents made from corn, contributing to environmental conservation. Product Highlights: Sustainable Material: The pen is made from recycled paper, which is eco-friendly and helps reduce paper waste. Environmentally Friendly Accents: The colored corn-based accents are not only eco-friendly but also give the pen a fresh and modern appearance. Blue Ink: The pen writes with blue ink and provides a smooth and precise writing experience. Print option: We offer the option to print your logo to the right of the clip on the pen, personalizing it for use as an eco-friendly promotional item or gift.
