

Product data sheet

FFP2 mask

Product number: 5252006

Our FFP2 mask complies with the EN149:2001 + A1:2009 standard and offers reliable protection. This 5-layer mask features an integrated nose clip that can be adjusted to fit the face shape, along with two ear loops for a secure fit. The mask body is made of non-woven fabric layers, a "Meltblown" filter fabric, and cotton to ensure high filtration performance and comfort. Your logo will be printed on one side of the mask to personalize the product and promote your brand.

Product Highlights:

- Reliable Protection:** This FFP2 mask provides a high level of protection against airborne particles and droplets.
- Integrated Nose Clip:** The nose clip allows for individual adjustment to the face shape to ensure a secure fit.
- High Filtration Performance:** The mask features a 5-layer construction for efficient filtration.
- Comfortable Wear:** The cotton in the mask body ensures comfortable wear, even over extended periods.
- Print option:** Your logo will be printed on one side of the mask to personalize the product and promote your brand.
