## USB Card

Product number: 2873407

Our metal USB card with a fold-out connector is the perfect combination of functionality and elegance. With a large metal surface, it's ideal for laser engraving, presenting your brand or message in a stylish design.

**Product Highlights:**

- High-Quality Metal:** The USB card is made from high-quality metal, making it not only durable but also sophisticated.
- Fold-Out USB Connector:** The USB connector can be conveniently folded out to access the data.
- Print option:** The generous metal surface provides ample space for laser engraving, allowing your custom logo to shine.

**GEMA Fees:** Please note that for deliveries within Germany, GEMA fees of €0.24 per piece apply.
