## Automatic umbrella

Product number: 4744703

Our automatic polyester umbrella with an aluminum frame, metal tips, and a curved, rubberized handle is not only functional but also comfortable and user-friendly. The automatic button is integrated into the handle, making it effortless to open and close the umbrella. Product Highlights: High-Quality Polyester: The canopy made of durable polyester provides reliable protection against rain and moisture. Aluminum Frame: The aluminum frame ensures stability and durability while remaining lightweight. Metal Tips: The metal tips contribute to the overall stability of the umbrella. Curved, Rubberized Handle: The curved, rubberized handle is comfortable and offers a non-slip grip. Integrated Automatic Button: The integrated automatic button in the handle makes it easy and user-friendly to open and close the umbrella. Print option: Your logo will be printed on the lower part of a segment to effectively showcase your brand.
