

Product data sheet

Double wall vacuum bottle

Product number: 6257398

Our double-walled stainless steel vacuum flask is the perfect choice for keeping your drinks at the desired temperature while on the go. With a generous capacity of 500 ml and a leak-proof closure, this bottle is ideal for daily use. Product Highlights: Temperature Retention: The double-walled stainless steel construction ensures that hot drinks stay hot and cold drinks stay cold while preventing condensation. Leak-Proof Closure: The closure prevents unwanted spills, allowing you to transport your bottle confidently in bags or backpacks. High-Quality Material: Stainless steel is durable, easy to clean, and resistant to rust, making this bottle a reliable companion. Print option: Your logo will be engraved on the bottle to personalize it and use it as a promotional item or gift.
