Thermal mug

Product number: 6071003

This insulated tumbler is perfect for those who are often on the go and want to enjoy their drinks in a high-quality container. With its compact size, it fits most vehicle cup holders, making it the perfect companion for long drives or your daily commute. Order this practical insulated tumbler today and take the opportunity to stylishly showcase your brand.

Product Highlights:

- Insulation:** The insulated tumbler keeps your drinks at the desired temperature, whether it's hot coffee in the morning or refreshing cold beverages during the day.
- Secure Locking Lid:** The tumbler's lid has a secure locking mechanism to ensure your drink remains safely sealed without any leaks.
- Rubberized Grip:** The rubberized grip zone offers a non-slip and comfortable handling, even when the tumbler contains hot liquids.
- Leak-Proof:** Designed for on-the-go use, this tumbler is leak-proof, so you don't have to worry about accidental spills.
- Print option:** We provide the option to laser your logo onto the tumbler, turning it into a personalized promotional item for your company or brand.
