

Product data sheet

Plastic magnifier with white LED

Product number: 9223803

Our plastic magnifying glass with built-in white LED light is the ideal tool for clear vision and highlighting details. Product Highlights: Magnification and Clarity: This magnifying glass provides effective magnification, allowing you to clearly see texts, images, and details. The built-in LED light ensures bright, even illumination, even in low-light conditions. Compact Design: The magnifying glass is compact and lightweight, making it ideal for on-the-go use. It easily fits into a handbag, desk drawer, or pocket. LED Light: The built-in LED light is battery-operated and can be easily turned on and off. It provides the necessary illumination to see details under the magnifying glass clearly. Versatile Applications: This magnifying glass is versatile and suitable for various purposes, including reading, crafts, inspecting jewelry or coins, and more. Print option: The wide handle of the magnifying glass offers ample space for promotional printing. Silver ink contrasts well with the magnifying glass, allowing you to effectively showcase your brand or message.
