

Product data sheet

Drinking bottle made from recycled aluminium

Product number: 8378306

Our recycled aluminum water bottle is the ideal choice for environmentally conscious individuals. Product Highlights: Environmentally Friendly Material: This bottle is made from recycled aluminum, a sustainable material that contributes to reducing single-use plastic and reuses resources. Bamboo Lid with Carrying Strap: The bottle's lid is made of eco-friendly bamboo and features a convenient carrying strap. This allows for easy carrying of the bottle, whether in hand or attached to your backpack. 600 ml Capacity: With a generous capacity of 600 ml, this bottle provides ample space for your favorite drinks, whether it's water, juice, or smoothies. Sturdy and Reusable: Recycled aluminum makes the bottle sturdy and durable. It is reusable and a great alternative to disposable plastic bottles. Print option: We offer the option to personalize your bottle with your logo. This personal touch makes the bottle a unique promotional gift or merchandise item.
