

Product data sheet

Reusable cotton net

Product number: 6347713

Our environmentally friendly reusable cotton mesh bag is the ideal solution for sustainable shopping and storing fruits, vegetables, and other products. The bag is washable and reusable, not only benefiting the environment but also saving money. It features a convenient drawstring for easy closure and a small cotton patch on the front designated for your custom branding.

Product Highlights:

- Environmentally Friendly Choice:** Our cotton mesh bag is a sustainable alternative to disposable plastic bags, contributing to reducing plastic waste.
- Reusable:** The bag can be washed and reused multiple times, providing both an eco-friendly and cost-effective solution.
- Convenient Drawstring:** The drawstring allows for easy closure of the bag, keeping the contents secure.
- Print option:** The small cotton patch on the front of the bag provides space for your custom branding, whether it's your logo, slogan, or a message.
