Bamboo weather station

Product number: 3319413

Our Weather Station with Wireless Charger combines cutting-edge technology with stylish design. The device is made of high-quality bamboo and features a digital display that shows temperature, humidity, and the current time. Additionally, it offers the practical function of wirelessly charging your smartphone. Product Highlights: Sustainable Bamboo Design: The weather station is made from environmentally friendly bamboo, adding a natural and elegant touch to your space. Digital Display: The display not only shows the current time but also displays the temperature and humidity in your room. Wireless Charging: With the integrated wireless charger function, you can conveniently charge your smartphone without the need for cables. Convenient Accessories: The included micro-USB cable makes recharging the weather station easy. Print option: Your logo will be engraved on the front of the weather station, ensuring that your brand is visible every time you check the time.
