

Product data sheet

Picnic blanket with handle

Product number: 62641mc

Explore our high-quality picnic blanket that provides you with a comfortable picnic experience in nature. This blanket stands out for its thoughtful construction, featuring an insulated moisture barrier on the bottom and a polyacrylic layer on the other side for maximum comfort. With generous dimensions of 200 x 150 cm, it offers ample space for all picnic guests.

Product Highlights:

- Insulated Moisture Barrier:** The bottom of the blanket is equipped with an insulated layer that not only protects against moisture but also provides additional insulation. This allows you to sit comfortably and dry on slightly damp ground or in the grass.
- Polyacrylic Layer for Comfort:** On the top side of the blanket, there is a polyacrylic layer that offers a pleasant feeling while sitting or lying down. Enjoy your meals or a relaxed sunbath in ultimate comfort.
- Generous Size:** With dimensions of 200 x 150 cm, this blanket provides enough space for your picnic essentials, your family, and friends. Whether you're at a festival, the beach, or in the park, there's room for everyone.
- Print option:** We offer the option to embroider your logo on the blanket. This not only turns the blanket into a functional companion but also an effective promotional tool for your company or event.
